NHSA takes no responsibility for activities taking place on the range. Complying with all official requirements to manage a public shooting range remains the responsibility of the range management. By submitting this registration form it is mutually understood that your valued institution has no other responsibility towards our members than to sign their shot targets if you can, please. It would be appreciated if you could possibly also place a dated stamp of your shooting range on targets shot by our members on your range. Please immediately report to us any unwanted behaviour of our members on your range.
